

Student's Code of Conduct @ Sanskaar International **School, Allahabad.**

We emphasize responsibility not rights, giving rather than taking and we encourage student to develop into mature, reflective, independent and self confident young women. We aim to create a community, which is supportive and encouraging for all and is based on respect, care, and tolerance, in an environment where each student is valued and is well known by all staff. As a community we need to be able to exist together comfortably, happily and safely. While students expect us to be tolerant and friendly, we expect them to be polite and co-operative. If a major problem develops, parents are informed.

Punctuality

- i. Reporting late after sanctioned leave/night or day out is not expected and will be dealt with strictly. Repeaters may not be allowed for two (2) subsequent scheduled outings.

Laboratory & library Conduct

1. The school labs and library promote a welcoming environment that is conducive to study, research and learning.
2. The library learning resource centers with their comprehensive reference facilities, remain open all week including Sundays.
3. Students are advised to visit the library regularly and utilize the resources available.
4. The labs and library does not permit eating and drinking. In the library, pin drop silence should be maintained.
5. Anyone engaging in disruptive behavior or otherwise undermining a studious atmosphere may be asked to leave.
6. Disruptive behavior includes verbal abuse, loud talking, shouting, running, sleeping, or any other activity that might disturb the concentration of others.
7. The periodicals, reference books and computers are to be handled with care and any damage reported will invite penalty.
