

Academic Calendar

2024-2025

The detailed month wise plan.

We at SIS, promote the vision Global Standards, Indian Values and envisage the goal that is holistic development through specially designed activities which inculcates learning by doing and develop kinesthetic skills through Participation and Assimilation of the concept.

Each subject has its own learning style and each day has its own importance. The child is trained to participate in maximum activities which are directly or indirectly connected to the subjects such as Social Science; English; Mathematics; Computer; Hindi; Art & Craft; and Music. Please ensure optimum Co-operation by encouraging your child to be active in all what is planned through this calendar. We assure you great results in your child's all round development.
