

SANSKAAR INTERNATIONAL SCHOOL

SUMMER HOLIDAY HOMEWORK (2025-2026)

CLASS-V

| S.NO | SUBJECT | HOLIDAY HOMEWORK |
|------|---------|---|
| 1 | ENGLISH | <p>Task 1- Make a separate thin notebook, fill its one page daily in good hand writing and check the progress yourself.</p> <p>Task 2- Write, everyday, two new words that you were not aware of before. Write their meanings and use them in sentence too.</p> <p>Task 3- On the occasion of World Environment Day on June 5, write a letter, in the specified informal format, from a tree to humans. Mention: • The tree's name, age, and type • How it feels about deforestation (cutting down of trees) • What it wishes humans would do • A hopeful ending (Prompt: "Dear Humans, I want to share my feelings with you...")</p> <p>Task 4- Find at least 20 English idioms (like "raining cats and dogs", "in a nutshell", etc.), write them in your notebook along with their meanings and use each one of them in sentence.</p> <p>Task 5- Word Hunt— • Find out 10 English words borrowed from other languages. Write their meanings and the language they came from (e.g., "jungle" from Hindi) • Find out 10 nouns with different words/names in British and American English (e.g., lift in British vs. elevator in American). Make a T-chart.</p> |
| 2 | MATHS | <p>Topic: Track your Electricity meter reading.</p> <p>a. "When was the first electricity meter invented, and by whom?"</p> <p>b. Every day for one week, check your home's electricity meter at the same time (morning or evening).</p> <p>2. Write down the number you see on the meter in the form of number name according to Indian number system.</p> <p>3. Find how many units were used each day by subtracting yesterday's reading from today's reading.</p> <p>4. At the end of the week, add up all the units to find the total.</p> <p>5. Research how electricity is used in another country. Compare average weekly units used with your own home.</p> <p>6. Learn and Write the difference between old meters and smart meters.</p> <p>IMPORTANT: Safety Focused</p> <p>1. Do not touch the electricity meter with your hands.</p> <p>2. If you want to read the meter, ask an adult for help.</p> <p>Stand at a safe distance and only look at the numbers. Never touch the meter or wires.</p> |
| 3 | HINDI | <p>1 अपनी यात्रा का अनुभव लिखें तथा उसपर छोटी वीडियो भी बनाइए ।</p> <p>२) मात्राओं का ज्ञान (इमला लिखें)</p> <p>3) हिन्दी सुलेख के 20 पेज भरें।</p> <p>५) विभिन्न नए प्रकार के वाद्ययंत्रों का चित्र बनाकर या चिपकाकर (चार्ट पेपर पर) उसके विषय में लिखें। (5)</p> |
