4	COMPUTER	<p>Holiday Homework for Class 1</p> <p>Topic: *What If Computers Disappeared? & Tech Time Diary*</p> <p>1: What If computers disappeared? (Think about how life would change without computers, phones, or tablets).</p> <p>Instructions:</p> <ol style="list-style-type: none"> Discuss the question with your parents and ask them to imagine a day without computers, phones, or tablets. Think and talk to your parents or grandparents about what they do using computers or phones every day. Mention 3 things that would be difficult to do if computers disappear on A4 sheet. <p>Part 2: Tech Time Diary</p> <p>How much time you spend using screens.</p> <ol style="list-style-type: none"> Make a small table. Fill it in daily: Take help of your parents to check and write how much time you spent each day. At the end of the week look at your total screen time. Think and answer- -Did I spend too much time on screens? -Should I play outside or read more? Write a short answer: One or two sentences about what you learned on A4 sheet.
5	EVS	<p>E.V.S HOLIDAY HOMEWORK</p> <p>Class 1</p> <p>My family</p> <p>My family's daily routine -</p> <p>Research and write down the daily routine of your family members in a Table in your EVS notebook.</p>
